

He shouts from a far: **S**um up your **c**ourage! **U**se up your **n**utrition! **U**se your **g**uts!
Use the **t**unnel! **Y**our fortune comes **t**ru**e**!

We follow his **v**oice, vibrant with excitement, and suddenly **v**ireos everywhere
virtually bringing **v**iolet **v**incas! The traveler provides a very nice **v**ase,
while **w**e wish to **w**ander with **w**arm **w**ind on **w**ild **w**aves
through **w**indy **w**eathers and **w**hirling **w**aters.
But at the exit xenophobic **X**antho with extravagant
ox-tail exerts extortion to exasperate and exclude us.
We **s**imply ask her "Y?"
and let her **y**arn go **y**onder. Our **X**iphophone plays
Yin and **Y**ang and the melody is "Y!" "Good-b-y!" -
Good-b-y! - Good-b-y!"

This was a **z**estful,
zany adventure
we watch the **Z**enith and
zip on our way with **z**est,
zig-zag, on our way!

Wow, **l**ook at those oranges growing **w**onderfully in **f**ront of our own **m**outh: delicious!
How pleasant to **p**ause now under powerful **p**alm trees
and to pick these **p**opping down precious **p**inkish papayas...

At the quiet **q**uarry **Q**uinn **g**uickly went on a **q**uest
finding **q**uantities of quartz crystal!
Squeaking with joy we
race by the river,
really rushing and
rolling over and **o**ver
until we **r**each the shore...

There **s**uddenly we **s**top
shocked by **s**wiftly
swinging **s**erpents,
whistling **l**ike the storm.

Turning round
we **d**etect a
tough **t**raveler
at the **t**ail tower
trying to give
us a **t**ip.

Andrew **s**tands watching
at the gate and calls
for an **a**dventure:
are you **r**eady for action?
Advance through the gate!

But **b**etter don't bother **b**ig belly brother.
He's **b**usy bringing a baskets with berries
and a **c**hocolate crescent to cheer up **c**ute **C**ecil.
With curly crescents in her hair the **c**onsiderate **C**inderella meets us there.
Damned! That **d**aft **d**ork **d**ampens her delight:
her delicious **d**oughnuts he's **d**rugging in the dirt! She didn't get a bite!
"Hey, you **e**vil devil! Don't **v**ex that gentle tender heart!"
No effort can prevent the **e**ndless tears from escaping the **e**dge of the **e**arrest eyes.
But a swift **f**abulous falcon flew fast, **f**linging flames of **f**ury in the face of the **f**alse fellow.

Go, you **g**ory green ghoul,
or the garden **g**uard
will dig your **g**rave!
Now **h**andsome, happy **H**enry
hopped **h**igh and says
hello to his **h**oney
she says, in an instant, I am in **t**his place.
I am **f**ine! Look at **t**his. It's a **b**liss!
I'm a **j**olly good jogger **j**umping with **j**oy....
You know: I'm **k**ing at **k**araoke. I'm not **k**idding.
I know how to do **k**nee strikes, that will **k**nock you to your **k**nees.
Later let's **l**ay down **g**ently, close to the **l**ow light
and listen to lectures of lovely long **l**egends.

The next **m**orning **m**ini mice **m**urmur in the **m**ossy meadow:
My message is to **m**ind your **m**outh;
in a **m**oment, **m**ean words **m**ay **m**ake your **m**ate **m**iserable.
No need for **n**asty negative **n**snakes. Never **n**eglect to be **n**ice.
